1. **What do you need to submit? What should it contain?**

    Submit a single PDF containing Prototype designs and annotations, Design justification and References.

2. **What is the word limit? What does and does not count towards the word limit.**

    The coursework 1 is to write a **1500-word limit report**. Annotations and the bibliography do not count towards the word limit.

3. **How will this assignment be marked? How can you ensure you meet the marking criteria?**

    Marking criteria:
    *   Accuracy of answers and alignment with task requirements.
    *   Professional formatting (title, group details, submission date).
    *   Correct APA-7 references.
    *   Concise writing style.
    *   Original content (no AI tools/collaboration).
    Ensure compliance:
    *   Follow the rubric and example submission.
    *   Use APA-7 tools (e.g., Zotero).
    *   Trim redundant text.
    *   Test originality via Moodle's Test Your Text.

4. **How many hours should you spend on this assignment?**

    Total Estimated Time: **20-30 hours**
    *   If you are experienced in prototyping & academic writing, you may finish closer to 20 hours.
    *   If you are new to these concepts, you may need closer to 30 hours or more.

5. **What is the deadline? What happens if you submit late?**

    The deadline for Coursework 1 is **April 7, 2025, at 15:00**. Late submissions incur a **5% penalty per working day**. To avoid penalties, it is recommended to submit on time.

6. **What precautions should you take to protect your submission from academic misconduct?**

    To protect my submission from academic misconduct, I should take the following precautions:

(i) Familiarize myself with the University's updated Academic Misconduct Policy, particularly the definition of False Authorship, and ensure all my work is my own without unauthorized assistance or tools;

(ii) Avoid collaboration since this is individual coursework; refrain from using unauthorized AI tools like ChatGPT or Wordtune unless explicitly allowed;

(iii) Cite authoritative sources properly using APA 7 format while avoiding unreliable references like blogs;

(iv) Check originality using the Test Your Text tool on Moodle;

(v) Ensure all content is self-authored without input from third parties or platforms;

(vi) Strictly follow submission guidelines, ensuring all required sections are included and formatted correctly.

7. **What referencing format must you use? Include two examples, with an appropriate in-text citation and reference list entry**

(i) APA-7 format

(ii) For example:
   A.In a survey of call center workers, 60% reported being mistreated by a customer within the past week(Grandey et al., 2004).

   B.Recent research has demostrated that customer mistreatment has harmful implications for the target(Binnall, J.M, 2019).
